Background

MGN College is a matric finishing school situated in East London. It is also rooted in Christianity, ready to cherish values of a holistic education to produce God fearing, responsible citizens of the nation.

At MGN College we believe that failure is not the end of the world but rather the beginning of success to those who realize that they have fallen and choose to rise up and walk again. On this note MGN gives a second chance to grade 12 students and any individual who would wish to improve their results.

The specialization of the school is mainly in Mathematics and Science subjects but we also offer other subjects as stipulated on the South African curriculum. We also offer other services like computer literacy, counseling and career guidance.

With a committed staff both teaching and administrative, MGN College strives to become one of the distinct and fulfilling colleges in South Africa.

Mission statement

Our mission is to give a chance to individual learners with a diversity of talents as the institution strives to provide excellence in academics and extra-mural activities.

All students are afforded the opportunity with a secure and disciplined environment where dignity of the individual is upheld to develop their full potential in mind, body and spirit.

In order to fulfill this mission, MGN strives

- To train God fearing persons who will uphold acceptable Christian values with awareness of and respect for other creeds.
- To maintain and encourage strong partnerships, open communication and a closed interaction with parents and the community.
- To attract and retain staff of the highest caliber by providing an attractive and stimulating working environment.
- Empower students, building confidence, promoting self discovery and equipping students with the skills and knowledge necessary for career readiness.
